

If your organization decides to not have a 2019 Business Commute Challenge Team and you still want to participate, You CAN!

1. Choose CATCH-ALL in the Parent Organization drop down menu
 - a. Team Outliers will automatically populate in the Team Field
 - b. Fill in your profile page and you will then be signed up as a 2019 BCC Participant
 - i. Every day you report a trip you will be eligible to win prizes
 - c. The Team CATCH-ALL – Team Outliers will not be eligible for team awards

However, if other people in the office are green with envy and want to join in the fun, your organization can still form a team and sign-up! (Sign-up ends May 17) Just send us an email at commutechallenge@ltd.org and tell us what team you want to be placed with.
