Subject Line: Business Commute Challenge - Only 5 days until the Challenge begins!

Do you have your trips planned for the week?

Here are some great resources to help:

Carpool: Sign-up at GetThereOregon.gov and search for a carpool partner. Make sure to think outside the box when searching. Partners don't have to live right by you - maybe you could meet someone at a [Park & Ride](#) location near your house? Or better yet – check with people here at work – you may be surprised who lives near you or drives past your area on the way in to work.

Bus: ***Ride for free during the Challenge***, see me to get your free bus passes. Visit ltd.org or contact Lane Transit District's customer service center at 541-687-5555 to get help planning your route.

Bike: I have bike maps available to help plan your ride. If you don't want to ride alone, you can find a match at GetThereOregon.org or here at (insert company name).
